Horse riding

Horse riding is fantastic itself but winter riding in the snowy forest is an absolutely extraordinary experience! Horses are waiting ready for you to show you the nearby surroundings and our snowy pine forests. The ride starts with safety instructions. It's suitable both for beginners and advanced riders, we arrange for them different groups. After the ride we will enjoy hot drink and cookie.

Includes: transfer, professional guide, hot drinks

Duration: 2 hours

Panoramic reindeer safari 3km NEW!

The most traditional way to travel in Lapland is a reindeer sleigh. Make yourself comfortable in the sledge (2 persons per sledge) and prepare for this lovely journey. Along this new route reindeer will bring you to the most beautiful tracks in Levi with fantastic panoramic view. Sounds of forest, snow-covered trees, pure air and untouched nature all around you, what can be better? After the safari you will have hot beverages and homemade sweet pastry.

Includes: Transfer, hot beverages, sweet pastry, 3 km safari, professional guide

Duration: 2 hours

Lappish village, reindeer ride 1km

This kilometer long tour starts and ends at the reindeer farm "Sammun Tupa". This family owned old farm is hidden in the forest and gives you a feeling of pure Finnish tranquility and harmony. You will have a reindeer sledge ride in a winter wonderland. As the reindeer travels through the wintery landscape, you experience the sensation of eternity and being a part of nature. The pace is dependent on the reindeer – we have both young ones who like to race and calmer lead reindeer. Then we will have an overlook of the old farm and its home museum. Our guide will tell you stories of the past and present life of reindeer herders. Hot drinks and home-made local sweet pastry are served in an cosy old wooden cottage.

Includes: Transfer, hot beverages, sweet pastry, 1 km safari, visit to old reindeer farm, professional guide

Duration: 2 hours

Night reindeer safari NEW!

Let's start our journey to the northern fairy tale! Mysterious glittering of the snow in the forest, moonlit road and stars above your head... Land of beautiful nature and frosty winters calls you! Nothing will disturb this tranquillity; only sounds of reindeer steps along the snowy track will accompany us. On the half way we will stop in a Lappish hut with the great panoramic view to the North, if we are lucky night sky will burst out with magical Northern lights making this trip truly unforgettable.

Includes: Transfer, hot beverages, snack, 3 km safari, professional guide

Duration: 2,5 hours

Arctic Karting

Karting in Lapland is as cool as all the other things here: we do it on the ice! Karting includes driving instructions, warm-up runs and of course, the finals! Co-karts are equipped for winter and the driver will be dressed accordingly with complete winter gear (thermal overalls, shoes, gloves, hoods and helmet). The winter track is frozen and fenced for safety. Drivers must be over 140cm tall. You don't need any previous experience - come and give it a go!

Includes: Transfer, hot beverages, gear, professional guide

Duration: 1.5 hours

Santa Claus Village and Arctic Circle

The Santa Claus' Office is located in a very special place: right on the Arctic Circle in Rovaniemi. There is a Village of Santa with cheerful elves over there. Santa is always in his office, you may talk to him and whisper your Christmas wishes on his ear or even ask Santa some questions about his fantastic work! You can visit Santa Claus Post office and order a letter from Santa for next Christmas for your children and friends. Rudolf's gift factory shop offers the best Christmas gifts shopping. Famous Finnish trademarks Marimekko, Iittala, Martiini have their shops in the village as well. The ceremony of Arctic Circle crossing also takes place in Santa Claus village. The personal certificates about this event are delivered to everyone.

Includes: Transfers, guiding, Arctic Circle certificate, hot drink and pastry

Duration: 9.5-10 hours

Arktikum

The Arktikum in Rovaniemi provides a unique insight into the way of life, culture and history of the North. It is a museum, science centre, conference house as well as an architectural sight in its own right. In the museum's permanent exhibition you will find out about the life and mythology of arctic areas. The visitors can also experience the coldness in a special cold room and relax in the northern lights theatre, lying on comfortable couches and watching video about Northern lights.

Includes: Transfers, entrance fee, audioguide

This safari is not suitable for children under 12.

Includes: Transfer, lunch, 90 km snowmobile safari, entrance fees, professional guide, safari outlet

Duration: 5 hours

Snowshoe day program

One of the best ways to enjoy nature is to walk, as you may always stop just to listen to the sounds of forest or to see better a squirrel running around. Snowshoes allow us to get to the places where you could never walk by foot due to deep snow. We start from the northern slopes of Levi, duration about 3 hours. When the weather permits we will reach the peak of Levi fell and enjoy magnificent sceneries. We walk slowly and admire the view, until we arrive to cozy hut where hot drinks, sausages and buns are served.

Includes: Hot beverages and snack, snowshoeing gear, gondola lift pass if needed, professional guide

Duration: 3 hours

Polar Star experience – night snowshoeing

Glowing snow makes surroundings look enchanted and mysterious. Before leaving, we get a short introduction to snowshoeing. The silent winter nature and light of stars will help us to leave the stress behind and little by little we will feel ourselves part of the magical night nature. With some luck we might spot the Northern Lights. We will reach a hideaway hut, sit around the open fire and relax. Then we will enjoy hot drinks and snack. The hut is situated on the open space and has the great view to the North that gives us the best chances to see amazing Northern lights.

Not suitable for children under 7 years old!

Includes: transfers from Levi, hot drinks and snack, snowshoeing gear, professional guide

Duration: 3 hours

Guided excursion to Lainio Snow Village (by bus)

ICE. SNOW. Lots of ice&snow! Every year it is different, never the same. Pure stretch of imagination frozen in the ice and snow art works. We go to Lainio Snow Village by bus. Guided excursion to Samiland

Samiland is a part of the UNESCO Observatory Cultural Village programme. Come and meet the Sami, the indigenous people of the North. The exhibition is on top of the fell, while getting there by Gondola lift we will have a chance to admire spectacular view of Levi center and surroundings. The exhibition consists of indoor and outdoor parts and tells us about history and present day of Sami. Our guide will let you know the secrets of shaman drum, the essence of its magic and tell you the Sami fairytales. You will discover the tough and happy periods of Sami history and will see amazing beauty of traditional Northern dresses. Outdoor part shows us traditional Sami dwellings and worship places. After this small travel to Sami world we enjoy lunch at the café.

Includes: Gondola lift tickets, entrance fees, professional guide, lunch
Duration: 2 hours

Authentic Finnish Sauna experience NEW!

Yes, it's true. We are going to open a secret of Finnish wellbeing! Sauna is a way of life for Finns, our source of relaxation and positive thinking. After healing warmth of traditional wood sauna you feel rejuvenated and fresh. Harmony enters your soul and body. You may top up this feeling with truly arctic experience: take a dip in the ice hole and try arctic ice swimming! Cold northern waters fill you with incredible energy and inspire you for further achievements. Our guide will tell you about the essence of Finnish sauna and how to enjoy it in the best way. Spend this evening pampering yourself and forget about all the worries. After sauna you can savour a natural local herbal drink.

Includes: transfers, sauna, professional guide, use of one towel and swimming suit (you can use your own swimsuit if you like)
Duration: 2 hours

Icebreaker cruise (incl. lunch) NEW!

Extraordinary experience! Imagine a white frozen sea that never storms. Sea waters are covered in solid, dramatic white ice, endless, as far as the eye can see. Listen to the sound of crackling ice, crushed blocks rise from the hull, dark water splashes out. During 3 h cruise you will have a tour all way down to the engine rooms and all way up to Captain's bridge. You can relax in the cozy saloon, enjoying warm juice, or go for a walk on the frozen sea. The icebreaker makes a pool free of ice and every visitor can take the coolest swim in the lifetime using a floatation survival suit. The captain will present Cruise and Swim Certificates to everyone as a memorable gift.

Includes: transfers to/from Axelsvik, icebreaker cruise, professional guide, BBQ lunch, certificate
Duration: 11 hours

Lapland Express Snowcat

Let's take an adventurous but so comfortable trip to the top of Levi fell! Through the big panoramic windows of the snowcat you can admire snowy sceneries, starry sky and hopefully colourful Northern lights! We arrive to the top of Levi fell, crowded by skiers during the day and calm and deserted at night. Take your time to take the best pictures of your holiday! Inside the warm cabin of a snowcat Lappish snacks and hot drinks will be served. This trip is suitable for different ages and physical state.
